

FEAR NOT
Preschool

Hey Parents!

We are so excited to be partnering along with you as we move nursery and preschool lessons into your home! We have designed lessons specifically made for you to be able to teach at home with the supplies you have at hand!

The lessons provided are short, daily activities. We recommend doing one activity a day to deliver bite-sized Bible lessons for short attention spans, but feel free to do what is best for you and your child's schedule.

We have provided printable digital documents for many of the activities, but there are options available for those without access to a printer. **If you do not have access to a printer but would like to receive the printed documents weekly by mail, sign up [HERE!](#)**

We hope you find these resources to be fun, helpful tools to bring the Bible to life for your child!

Sincerely,
The Kids on the Move Team
