STORY CARDS

Print and cut out the story cards, or flip through the pictures on your phone, tablet, or computer. Show the pictures to your child and go over what is happening in each picture. After you have done this, let your child flip through the pictures as you ask simple questions about what they are looking at. For example, you could ask "What is Jesus getting on? (A Boat), "Oh no! What's happening around the boat?" (A Storm!), "What did Jesus say to the storm?" (Peace, be still), etc.
