

MORNING

Act It | Make a Bible story video!

Film a video re-telling the Bible story in your own fun way!

- Examples: One person could read it while someone else does sound effects to the story. Make a song about the story. Use lego people to tell the story.
- With your parent's permission, post it on Facebook or Instagram using #KOTMatHome!

LUNCHTIME

Table Time | A conversational game that creates space for the big (and not-so-big) questions you wanna know! There are no right or wrong answers. Just pick a topic or question below and start talking around the lunch table! For added fun, add your own questions.

1. If you lived in Bible times and had to work as a shepherd, a soldier, or a fisherman, which would you choose?
2. Do you have any friends in your life who would stand with you even if everyone else was bowing?
3. What nicknames would you give Shadrach, Meshach, and Abed-nego if they were your friends?
4. Why do think Nebuchadnezzar wanted to make a golden statue?
5. How many basketball goals would it take to make a 90 foot tall statue?

AFTERNOON

Love Your Neighbor | Have your family or friends sit in a circle. Set out one less chair than the number of people you have (Ex: if there are 4 people playing, set out 3 chairs). Have one person stand in the middle. The person standing in the middle states a fact about themselves that is true. If that fact is also true for any others in the group, they have to stand and hurry to find a new seat. (Ex: "Switch chairs if your favorite color is blue.") One person will be left standing and is now the person who is left standing in the middle.
