## **MEMORY VERSE CARDS**

Print out the **memory verse card document**, and cut out each picture. Lay the cards on the ground and tape them down (if possible). Have your child jump from picture to picture as they say what it means. For a fun twist, give them points every time they get the whole verse (or maybe just one picture) correct, and give them a special snack or reward for getting 5 or 10 points. Repeat this game as long as your child is having fun!

**No printer option:** Show your child each picture and say the words associated with the picture as a review! Once you have done this a few times, flip through the pictures and see if they can tell you what each picture means. Consider offering a reward if they can get them all right!

## **SUPPLIES NEEDED**
