

MONDAY

“PEEK - A - BOO” GAME

Go to a mirror in your house and grab a soft cloth or blanket. Put your child in front of the mirror and have them point to themselves. Say to your child, “God loves you so much, and he watches over you!” Then hold the cloth between your child and the mirror so that they cannot see themselves. Say, “Who does God watch over?” And help them quickly move the cloth as you say their name excitedly! Do this as long as they remain interested.
