

MONDAY

"JESUS LOVES YOU" GAME

Get a soft cloth or blanket and hold it up between you and your child. Quickly move the cloth while you say, "Peek-a-boo! Jesus loves you!" You could do this activity while they are in their highchair, doing tummy time, or even during bath time with a wash cloth! Play this game as long as they remain interested. If your child is able, let them hold and move the cloth themselves!
