

WEDNESDAY

CRAFT

Talk with your child about how much Jesus loves them as they make their craft!

SUPPLIES NEEDED

- Red paper (or white paper if red is not available)
- Crayons or markers
- Black pen or marker
- Scissors

STEPS

1. Get a piece of red paper, if available. If not, white paper will work!
2. Cut a large heart out of the red paper.
3. Help your child color the heart red (if white paper is used).
4. Write "Jesus Loves (child's name)" on the heart. Click [HERE](#) for an example.
5. Help your child decorate the heart with any craft supplies (e.g. stickers, stamps, pom pom's, etc.) you may have around the house!
