MEMORY VERSE CARDS

Print out the [memory verse card document](#), and cut out each picture. Tape the memory verse cards on different containers (e.g. baskets, buckets, tupperware, pots, etc.) and place them around the room. Give your child a few balls or soft toys they can throw into the buckets. Have your child throw the balls or toys into each bucket in the correct order. When they have thrown a ball in every bucket, have them say the whole memory verse as you point to each picture. Repeat this game as long as your child is interested. For more of a challenge, after a few rounds, mix the buckets up and have them play again.

No printer option: Show your child each picture and say the words associated with the picture as a review! Once you have done this a few times, flip through the pictures and see if they can tell you what each picture means. Consider offering a reward if they can get them all right!
