

WEDNESDAY

CRAFT

Help your child make palm branches so they can wave them like the people welcoming Jesus.

SUPPLIES NEEDED

- Green paper (or white paper if green is not available)
- Crayons or markers
- Scissors
- Tape or glue
- Popsicle sticks

STEPS

1. Get two pieces of green paper, if available. If not, white paper will work!
2. Have your child color the white paper green like palm leaves.
3. Cut the papers into a leaf shape. Click [HERE](#) for an example.
4. Cut slits along both sides of the leaves to make it resemble a palm branch.
5. Tape or glue each leaf to a popsicle stick (or a real stick!)
6. For more fun, and to reinforce the Bible Lesson, have your child wave their palm branches and say, "Yay Jesus!"
