TREASURE BASKET

Grab a small toy bin or basket, and put a random assortment of your child's smaller toys in it (e.g. balls, rattles, teething toys, etc.). Add a small Bible or children's Bible to the basket. Sit with your child on the ground or put them in their highchair, and have them pull things out of the basket. As they pull their toys out, say, "Is that your Bible? No, that's your name of toy! Keep looking! Where is your Bible?" When they pull out the Bible, celebrate and clap with them, and say, "It's your Bible! Yay! We love our Bibles." Put all the items back in the basket and play again as many times as they want to play!
