

## TUESDAY

### MUSIC TIME

Tell your child that Jesus loves them so much and that we love to praise Jesus by singing and making music! Place a pot of sturdy container upside down in front of your child and a big wooden or plastic spoon to hit it with. Show them how they can hit the pot to make noise! Have your child play their instrument as you sing or click [\*\*HERE\*\*](#) to play "Down In My Heart ." Feel free to sing it a few times if your child is still interested in the activity!
