STORY CARDS

Print out the [story card puzzle document](#), and cut out the individual cards in their puzzle shapes.

Place the puzzle pieces on the ground or on the table. Have your child put the puzzle together. Once they have all of the pieces in their place, go over the story again, pointing to each picture as you go. When you are finished, mix them up and do it again! Repeat as long as your child is interested.

No Printer Option: Flip through the [illustrated Bible story](#) on your phone, tablet, or computer, and go over what is happening in each picture as you show them to your child. After you have done this, have your child flip through the pictures and tell you what is happening in each scene.
