PRESCHOOL - WEEK TWO

FRIDAY

MEMORY VERSE SHAPE MATCHING

Print out the [memory verse shape document](#), and cut out each individual picture shape on page one. Go over the memory verse with your child, then mix up the pictures. Lay the numbered page with the matching shapes in front of your child, and have them match the shapes to their correct spot. Once they have all of the cards in their place, go over the memory verse again, pointing to each card as you go. When you are finished, mix them up and do it again, repeating this as long as your child is interested.

No printer option: Show your child each memory verse picture and say the words associated with the picture as a review! Once you have done this a few times, flip through the pictures and see if they can tell you what each picture means. Consider offering a reward if they can get them all right!
