TWO'S - WEEK TWO

TUESDAY

MEMORY VERSE SHAPE MATCHING

Print the [memory verse card document](#), and cut out all of the cards. Then place the cards around the room, and have your child race to pick them all up as fast as they can! Help them put them in order again, and have them repeat the verse after you. Play as many times as your child is interested!

No printer option: Show your child each memory verse picture and say the words associated with the picture as a review! Once you have done this a few times, flip through the pictures and see if they can tell you what each picture means. Consider offering a reward if they can get them all right!

If you'd like to be put on the weekly mailing list to receive lesson materials free of charge, click [HERE](#) to fill out the form.
