

FRUIT OF THE SPIRIT

JESUS AND THE CHILDREN
TWO'S - WEEK TWO

THURSDAY

GOD'S ANIMAL

This lesson's animal is the sloth! Review the ["God's Animal - The Sloth"](#) document with your child, and remind them that a sloth walks VERY slow and is never in a hurry. They take their time, just like Jesus! Jesus is never in a hurry and has time for us! Then play "Sloth Red Light, Green Light" with your child

RULES

- Have your child stand on one side of the room, and you stand on the other side.
- Tell your child that they are trying to get all the way across the room to you.
- Let them know that when you say "green light," they can move towards you very slowly (like a sloth) and that when you say "red light," they have to immediately stop.
- If they move when you say "red light," or if they are moving too fast, they have to go back and start over!
- They win when they get all the way over to you and can tag your hand.

This game is really fun with siblings or other household members, so encourage others to get involved!
