

FRUIT OF THE SPIRIT ACTIVITIES

JESUS AND THE CHILDREN
ONE'S - WEEK TWO

MONDAY

STICK PUPPETS

Tell your child that Jesus loves them so much and that we love to praise Jesus by singing and making music! Get two items that can be banged together (e.g. wooden spoons, blocks, bowls, etc.) for both you and your child. Show them how they can hit the two items together to make noise! Have your child play their instrument as you sing or click [HERE](#) to play "This Little Light of Mine." Feel free to sing it a few times if your child is still interested in the activity!
