

FRUIT OF THE SPIRIT

GOD CARES FOR YOU
1'S - WEEK 1

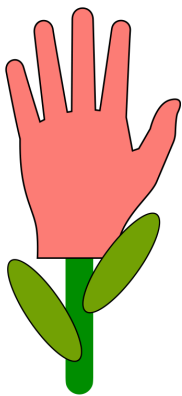

WEDNESDAY

CRAFT

Help your child make flower from their hand print. Talk with them about how the Bible says that God makes the flower's petals to cover the flowers like our clothes cover us.

SUPPLIES NEEDED

- Various Colors of Paper (or white paper if colored paper isn't available)
- Crayons or Markers
- Scissors
- Tape or Glue
- Popsicle Sticks

STEPS

1. Get some white or colored paper and trace your child's hand.
2. Help your child safely cut out their drawn hand. (Have them color/decorate the hand if you used white paper.)
3. Help them tape or glue a popsicle stick (or comparable object like a straw or plastic spoon) to the back of the hand to be the flower's stem.
4. Draw or click [HERE](#) to print out two simple leaves to cut out.
5. Tape or glue the leaves to the popsicle stick (see diagram).
