## ACTIVITY 1

### MEMORY VERSE SEQUENCE PAGE

Print the [memory verse sequence page](#), and cut out the pictures on the side. Help your child tape or glue the pictures onto the correct, numbered squares on the page. Once your child has matched each card, go over the memory verse together. Talk with your child about things they can do that are kind, and have them draw a picture of it in the large box on the page!

**No printer option:** Show your child each picture and say the words associated with the picture as a review! Once you have done this a few times, flip through the pictures and see if they can tell you what each picture means. Consider offering a reward if they can get them all right!

## ACTIVITY 3

### KINDNESS CHALLENGE

We have been learning about kindness over the last few weeks, so let's put what we have been learning into action! Talk with your child about how God loves it when we do kind things and how we can do kind things for friends, parents, siblings, or even neighbors. Below are some suggestions of things your child can do for someone to show kindness. Feel free to come up with your own ideas as well! Ask your child who they would like to do something kind for, and help them decide what they should do for that person. Then, execute the plan!

### SUGGESTIONS:

- Draw a picture
- Pick some flowers
- Make a treat
- Make a craft
- Help with chores
- Write a kind note
- Help make dinner
