

FRUIT OF THE SPIRIT

NEEDED LESSON MATERIALS

FISH STICKERS

- Recommended: [CLICK HERE](#)
- Notes: I recommend these stickers, but any age-appropriate fish stickers will be fine.
- Qty: A few for each child

PLASTIC BINS

- Recommended: [CLICK HERE](#)
- Note: The bins need to be something similar to this, but you could probably find these at Walmart or Target as well. They just need to be able to hold 8 balls each.
- Qty: 3 per small group

BALL PIT BALLS

- Recommended: [CLICK HERE](#)
- Note: You can also use the balls from a few weeks ago if you still have them.
- Qty: 24 balls per group

TUB FOR BALLS

- Recommended: [CLICK HERE](#)
- Note: This is to keep all the balls in before the game starts. Any tub that can hold 24 balls will do! (Again, you can always use the tubs from a few weeks ago if you still have them.)
- One per group

BOXES OF CRAYONS

- Recommended: [CLICK HERE](#)
- Note: Feel free to just use left overs from last week if you feel you have enough.
- Qty: One box per child

- Note: Something like this would be fun, but a large one from Walmart or Target would also work great!
